

You'll be understandably nervous about entrusting us with the most important day of your life; until you visit us of course!

Our wedding teams have a wealth of experience when creating the most perfect hair style and make up provision for you and your wedding entourage.

Whatever the desired style or size of your wedding, we have the perfect hair and beauty solution and budget to match.

Contact our wedding co-ordinator in the first instance to arrange a free of charge consultation where we can discuss the details of your wedding and suggest an action plan for conditioning, cutting and colouring during the preceding months. We will also discuss possible hair styles for you and your bridal party and arrange trials where necessary.

Once the preliminary consultation has been completed we can send you provisional booking dates/times and a written quotation; remember that the more treatments and services your wedding party book, the bigger your wedding discount, so why not bring all the family together for their preparations?

We have compiled a list of basic costs to give you an idea to start budgeting for but these are subject to additional surcharges* (when performed at home/wedding venue) or discounts (depending on your total spend).

*travel costs, added time and salon absence fees apply

Rest assured your wedding image will matter as much to us as it will to you!

Please ask for an appointment with our hair extensions technician or eyelash extension clinician if you think you may be interested in either service for the wedding as these may require more preparation than the other provisions we have outlined. We also have a nurse who visits monthly to administer collagen and other dermal fillers to plump and accentuate lips and minimise lines and furrows.

Don't forget to write a wish list of treats for the week before the wedding; it's amazing how much confidence a body wrap, tan or eyebrow shape will give you, or how necessary a facial or massage will be nearer the day! Are your legs and toes prepared for the honeymoon or should you organise a wax and pedicure too?

If there is anything you would like to discuss please do not hesitate to contact us via our website, www.arcanasalon.co.uk or call reception on 01908 505515 and ask to speak to our wedding co-ordinator.

Congratulations on your engagement, thank you for considering Arcana Group of Salons to provide your hair and beauty requirements for the big day!
